# WeChat Messaging - Teams

Read on to learn about WeChat Messaging from the MultiLine Messaging app for Microsoft Teams.
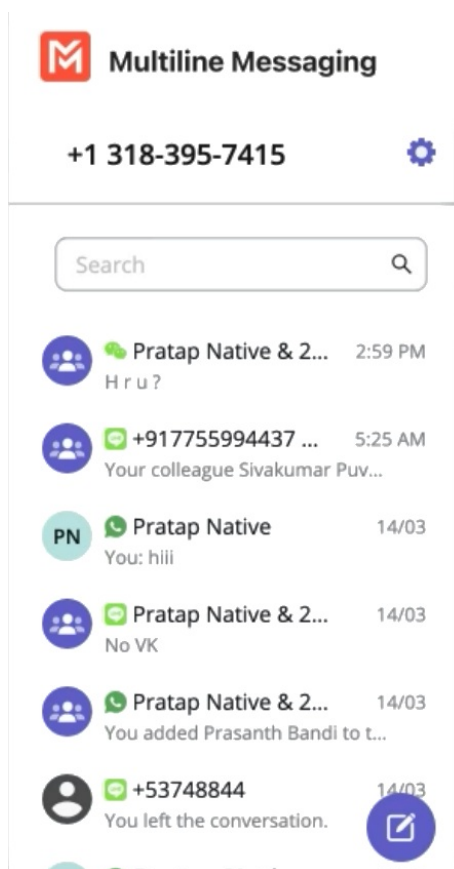

## Overview

With the WeChat add-on, MultiLine users can message with WeChat users.
## Before you start

- Using WeChat from MultiLine Messaging Microsoft Teams app requires it to be enabled by your MultiLine administrator.
- WeChat users must initiate the conversation.

## How it works

In your message threads, the WeChat icon 🐧 indicates the conversation is happening on WeChat. Select the message to begin chatting.

You can find your WeChat conversation with a contact by selecting the WeChat icon from the Contact details screen.

You can also begin chatting by selecting the **New Message** notification.

# Validated phone number feature

For regulated users, WeChat users may have their phone number validated for verification purposes. You will see this validated phone number below the Contact Name.
