Read this to learn how to record your voicemail greeting and listen to voicemails.

Overview

The MultiLine application provides you a separate voicemail to use for your business calling. You have three options: the default message, a custom message, and a message that includes audio of you speaking your name.

Before you start

- You need to be connected to the internet when updating your Voicemail greeting.
- Your organization can turn off voicemail features. If so, you may not see all the options described here.

Record your Voicemail greeting

Use **Voicemail Greeting** from the **Settings** menu to set up a voicemail greeting.

1. Tap the **menu icon**  in the bottom right (iOS) or upper right-hand corner (Android).
2. Tap **Settings**.
3. Tap **Voicemail Greeting**.
4. You have three options for setting your Voicemail Greeting:

A. **Default:** This application comes with a default setting that callers will hear when leaving a voicemail. For an example MultiLine number "+15555555555", the greeting is "You have reached +15555555555, please leave your message after the tone".

B. **Custom:** Allows the user to set a customized voicemail greeting. Once you have recorded a voicemail greeting, you can hit **Play** to listen to it, or **Record** if you want to re-do it. This can be

done or redone at any time.

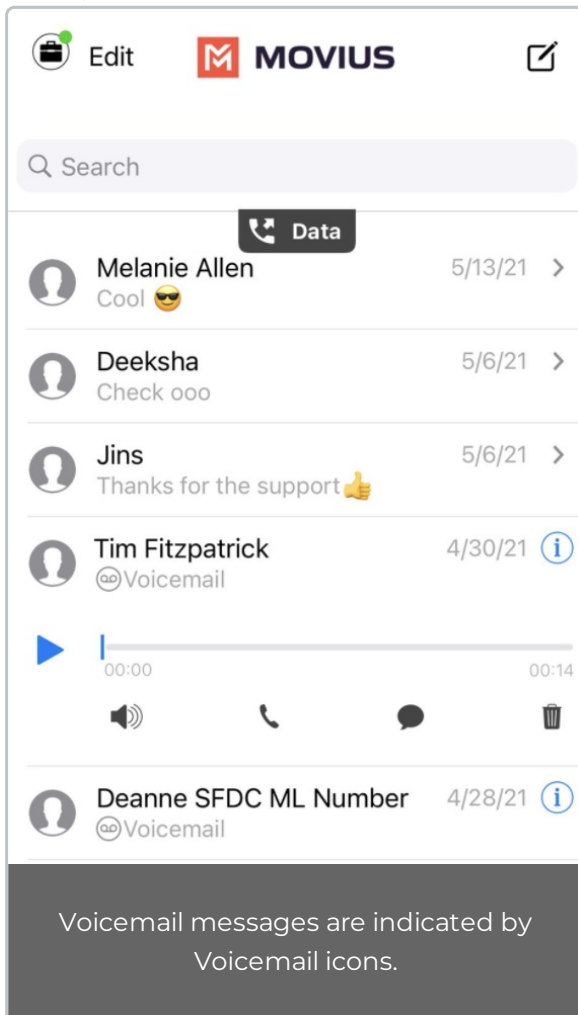

C. **Spoken Name**: Allows the user to record their name. Once you have recorded your name, you can hit **Play** to listen to it, or **Record** if you want to re-do it. This can be done or redone at any time.
