

Call Icons - MultiLine iOS

Last Modified on 09/23/2024 5:26 pm EDT

Read on to learn about the meaning of icons you will see in your recent calls.

Overview

When you go to your list of recent calls, you see information about your most recent call with each party and an icon. If you go to the details, you can see your call history with that party. It can be useful to understand what the icons mean.

Similar to other calling apps, there is an incoming call icon (meaning that party called you) and outgoing call icon (meaning you called that party), and a missed call icon.

Before you start

- Some organizations may disable Data Mode or Minutes Mode or other Call Settings. If these modes are disabled, you will not be able to set them in Call Settings.

Call icon meanings

iOS

Icon	Description	Meaning
 +1 470-704-0011 (3) Unknown	Phone number appears in red, no icon	Missed Call
 Alexander Garcia Work	Icon with arrow pointing towards phone	Incoming Call
 Elizabeth Jones Work	Icon with arrow pointing away from phone	Outgoing Call
