

MultiLine Desktop Support

Last Modified on 11/22/2023 3:14 pm EST

Read on to learn how to access Support while using MultiLine Desktop.

How to contact support

To get technical assistance or submit a bug, click the **Support** icon.

- Select the number to dial your MultiLine administrator.
 - Select the email to send an email to your MultiLine administrator.
 - Please use the form to describe your issue.
 - This email will automatically include logs to help diagnose your issue.
 - Select the Knowledge base URL to return here and use our self-help resources.
-
