

Searching, Viewing, and Editing contacts - Movius for BlackBerry iOS

Last Modified on 12/09/2024 3:08 pm EST

Read on to learn view, search, and edit contacts in your Contacts list.

Overview

- Once you set up your Contacts list, any contacts will appear on the Contacts screen. You can:
 - Tap a contact to see options for calling and messaging them.
 - View, add, and update contacts.

Before you start

- To view, edit, delete, or message contacts, you must add at least one contact.

View, search and edit contacts

1. The **Contacts** screen displays all contacts in alphabetical order by default. *Note: The next set of instructions will teach you how to change this setting if you like.*

2. Start entering the any contact detail into the **Search** bar to narrow the list to a specific contact. *Note: The Search bar will not display until you begin scrolling.*

3. Clicking on any contact will bring you to that contact's information page, where you can call, message, favorite, or block the contact.
