

# Ringtone and notifications

Last Modified on 05/28/2024 2:53 pm EDT

Personalize notification sounds for new calls and messages.

---

## ios

Read on to learn how to change the notification/ring sounds on your MultiLine in your settings.

### Overview

You can set separate notification sounds for receiving calls and texts on MultiLine when using Data mode.

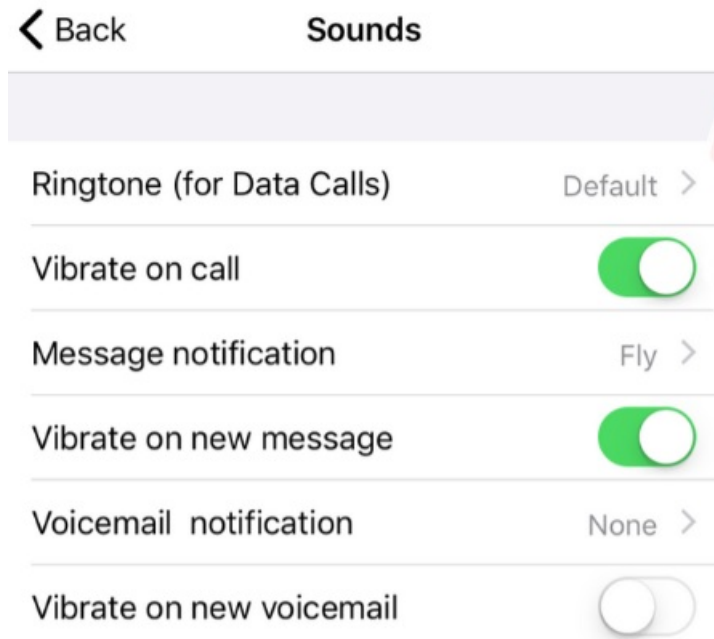

### Before you start

- If you're using Minutes mode, MultiLine will use the notification and ring sounds that are set in your Phone Settings.

### Edit ringtone and notification preferences

You can change the notification/ring sounds on your MultiLine in your settings.

1. Tap the **menu icon**  in the bottom right (iOS).
2. Tap **Settings** then tap **Sounds**.
  1. To change the ring for Data calls, click **Ringtone (for Data calls)** and select a ringtone.
    - Select **Silent** to silence your Ringtone.
  2. To change the message notification click **Message Notification**, and select a notification sound.
  3. To change the voicemail notification, click **Voicemail Notification** and select a notification sound.
  4. To add a vibration alert for calls and messages, tap to turn on the toggle. Tap again to remove vibration alert.
