

About Movius Platform Release Notes

Last Modified on 02/06/2025 1:26 pm EST

Partners: make sure you're logged in to view this content.

The content of standard platform releases can be communicated weeks in advance, whereas incremental releases or hot fix releases are planned and deployed quickly within a few days.

Pre-Release Notice: Please note that some features listed are still in process of being tested. Movius reserves the right to cancel or postpone the release of these features or to modify release dates. Furthermore, this content does not include private customer-specific developments.
