

# Set Do Not Disturb

Last Modified on 12/09/2024 3:13 pm EST

Read on to learn about setting Do Not Disturb in MultiLine for Intune iOS mobile app.

## Overview

You can use **My Schedule** in the MultiLine Settings menu to set weekly Business Hours or turn on Do Not Disturb. For the hours outside your Business Hours, MultiLine will turn on Do Not Disturb.

## Before you start

- You need to be connected to the Internet to change your schedule.
- If you are using the **Call Handling** feature to set a list of numbers to simultaneously or sequentially dial, the **Do Not Disturb** or **My Schedule** settings apply first and the calls will go to your voicemail and not ring the numbers on your **Call Handling** lists.
- When **Do Not Disturb** is enabled, all the calls will be sent directly to your MultiLine voicemail.

## Set Do Not Disturb

You can set Do Not Disturb setting in My Schedule.

1. Go to Settings then **My Schedule**.

2. Select the toggle for **Do Not Disturb**.

If you are using the **Call Handling** feature to set a list of numbers to simultaneously or sequentially dial, the **Do Not Disturb** or **Business Hours** settings apply first and the calls will go to your voicemail and not ring the numbers on your **Call Handling** lists.
