

# Calling from Recents

Last Modified on 01/20/2025 2:18 pm EST

How to call back those who have called you

---

## MultiLine/MultiLine for Intune

Read on to learn about return calls in MultiLine and MultiLine for Intune iOS.

### Overview

Recent calls show up in the **Recents** tab.

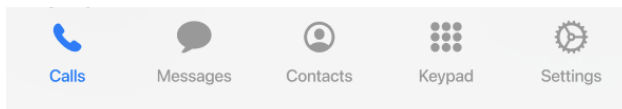

### Before you start

- Your organization may enable or disable certain functions, including:
  - Calling, Data/Minutes mode, or WiFi calling
  - Call forwarding or Call handling
  - Call recording
- If you have questions about what functions are enabled, contact your IT group for assistance.

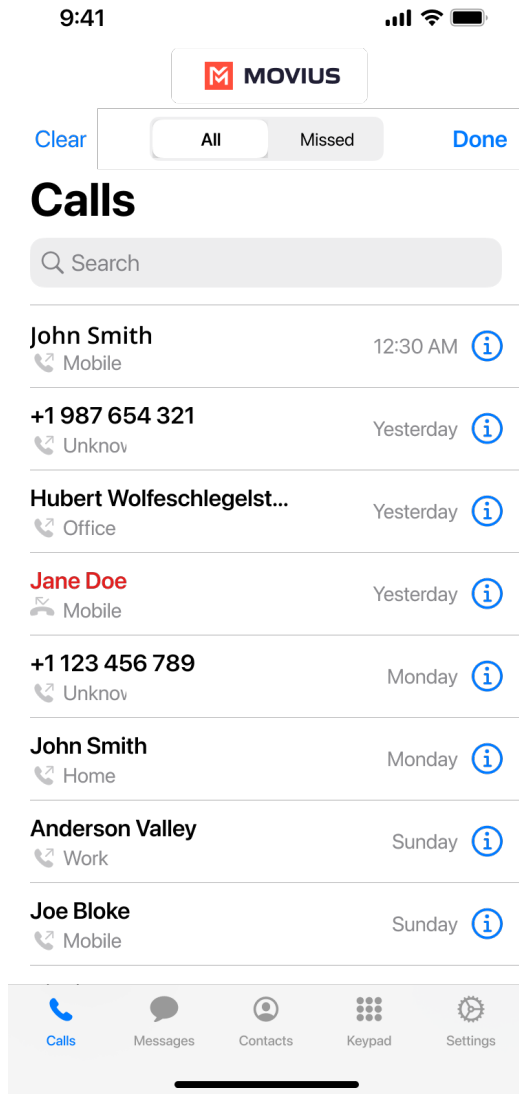

### How to call from recents

You can call someone back who you've recently had a call or missed call with.

1. Go to your **Calls** tab in the navigation bar at the bottom of your screen.

2. Select the blue "i"  icon to reveal details about that call.

3. Select the number or contact name to make a call.

---

## Movius for BlackBerry

Read on to learn about return calls in Movius for BlackBerry.

This content is under development - screens and instructions depict MultiLine app experience.

## Overview

Recent calls show up in the **Recents** tab.

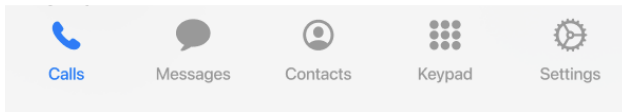

## Before you start

- Your organization may enable or disable certain functions, including:
  - Calling, Data/Minutes mode, or WiFi calling
  - Call forwarding or Call handling
  - Call recording
- If you have questions about what functions are enabled, contact your IT group for assistance.

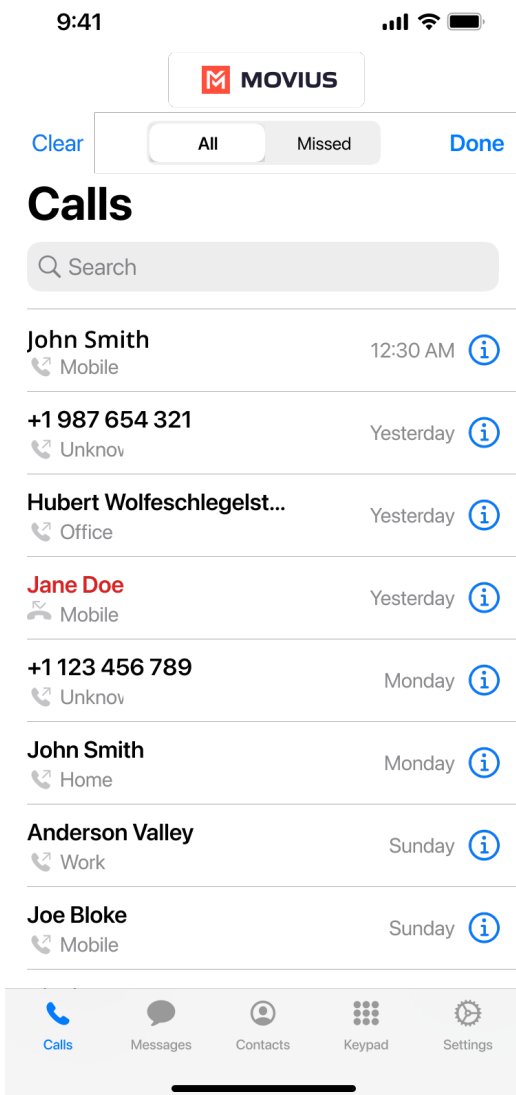

## How to call from recents

You can call someone back who you've recently had a call or missed call with.
