

## Set Contact List Sort Order

Last Modified on 09/24/2024 11:28 am EDT

## MultiLine/Intune

Read on to learn how change the contact list sort order in the MultiLine for Intune iOS app.

## **Overview**

You can change the order of contacts in your Contacts list.

## Change the Contacts list display and order

- 1. Select the **menu icon**: in the bottom right (iOS).
- 2. Select Settings.
- 3. Select Contact Settings.
  - Sort by first or last name
  - Display first name or last name first
