This content is under development, instructions and screens are from MultiLine app.

Overview

You can look up contacts and call from the info screen.

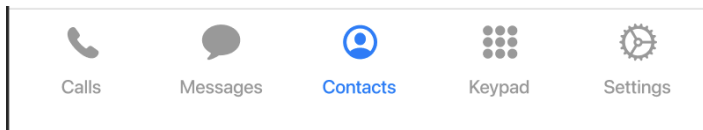

Before you start

- Your organization may enable or disable certain functions, including:
 - Calling, Data/Minutes mode, or WiFi calling
 - Call forwarding or Call handling
 - Call recording
- If you have questions about what functions are enabled, contact your IT group for assistance.

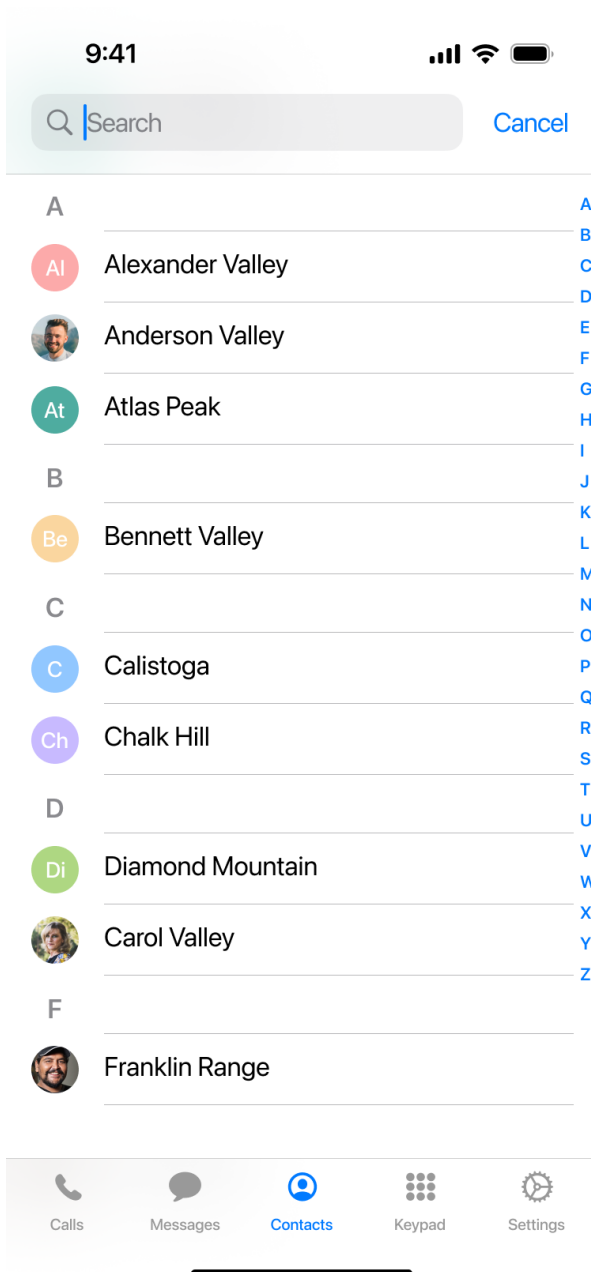

Calling from Contacts

You can call contacts from your contact list.

1. Go to your **Contacts** screen in the navigation bar at the bottom of your screen.

2. Select a contact. You can use the **Search** bar to find the contact if needed.

3. Tap the phone icon to make the call.
