

Messaging Short Codes

Last Modified on 01/27/2025 6:43 pm EST

Read on to learn about messaging short codes.

Overview

MultiLine supports messaging short codes, including promotional and emergency numbers.

Messaging short codes

To message a short code, enter the short code into the recipient field as normal.

Receiving messages from short codes

When you receive messages from short codes or promotional numbers, you may see a banner that lets you know.
