

# Messaging Short Codes

Last Modified on 01/27/2025 6:43 pm EST

Read on to learn about messaging short codes.

## Overview

MultiLine supports messaging short codes, including promotional and emergency numbers.

## Messaging short codes

To message a short code, enter the short code into the recipient field as normal.

## Receiving messages from short codes

When you receive messages from short codes or promotional numbers, you may see a banner that lets you know.
